CRIME LABORATORY ADVISORY

TO: DuPage County Law Enforcement Agencies
FROM: Claire Dragovich, Laboratory Director 
RE: Submission Restriction: Burglary to Motor Vehicle
DATE: September 11, 2020

The crime laboratory has experienced a significant increase in submissions. Unfortunately the demands of our user agencies are exceeding our current capacity. To address this issue and enable continued timely analysis, effective September 14, 2020 we will no longer accept evidence associated with burglary to motor vehicle (BMV) investigations. Any BMV evidence received prior to that date will be worked.

This submission restriction will be reevaluated at such time there is an increase in capacity. I apologize for the inconvenience to your agency.

Please do not hesitate to contact me with any questions or concerns.
