

INTRODUCTION TO CRIME LAB SERVICES

WHEN

April 17, 2019
8:30am – 12:00pm

WHERE

**DuPage County Forensic
Science Center**

501 N. County Farm Rd., Wheaton, Illinois

This class is intended for agencies that submit evidence to the DuPage County Forensic Science Center. Laboratory Forensic Scientists will enhance your knowledge and understanding of the services provided by the laboratory. Topics to be covered are outlined in the *Crime Laboratory Handbook* available on our website. Be sure to review the handbook before attending.
