# Introduction to Crime Laboratory Services

**Presented by Sheriff John E. Zaruba**

**And the DuPage County Forensic Science  
Center**

Attention all crime scene technicians, detectives, police officers, and community service officers...if you collect, submit, or request testing of evidence, join the Forensic Scientists of the DuPage County Forensic Science Center as they enhance your knowledge of the services and testing provided by the laboratory. Topics to be covered are outlined in *The Crime Laboratory Handbook*. This class offers both classroom style & hands-on instructions.
