

JAMES MENDRICK
SHERIFF
COUNTY OF DUPAGE

VISITOR INFORMATION: DuPage County Forensic Science Center

501 North County Farm Road, Wheaton, IL 60187

The DuPage County Sheriff's Office is pleased to offer tours of the Crime Laboratory as an educational experience for schools and members of civic organizations in DuPage County.

Tours through the Laboratory are available by appointment only for groups of 20 individuals or less. For the convenience of Laboratory staff, non-associated small groups may be combined. Staff are available Monday through Friday, 8am – 4pm, to provide tours.

To make certain our tours are an enjoyable experience for all parties involved, the Crime Laboratory requests that you review and agree to the following guidelines prior to scheduling a tour:

- **Confirmation of your tour at least 24 hours in advance is appreciated**
- **Plan to arrive at least 15 minutes prior to the start of your tour, and the laboratory must be notified if you will arrive more than 15 minutes late for your tour**
- **Chaperones are required with visitors under 18 years of age**
- **Photography or videography are not permitted at any time**
- **Tours may last up to one hour and visitors should expect to stand for the duration of the tour**
- **Laboratory tours are tailored for all ages; however, due to the nature of our work some topics are most appropriate for mature audiences**
- **Future tours will not be available for groups with previously noted inappropriate behavior, “no-shows”, or excessive tardiness**

To schedule a tour please contact Mary Dastych via email at mary.dastych@dupagesheriff.org or call **(630) 407-2111**. We look forward to your visit!
